

- Preface -

There are over 250,000 Feinstein Jr. Scholars throughout Rhode Island and nearby Massachusetts. All pledged to do good for others. They do millions of good deeds through our program every year.

I speak to over 50,000 of these youngsters each year in their schools – thanking them for what they are doing to help others and telling them that every time they do something good for someone else, they make the world a better place. Every Saturday & Sunday I talk about their good deeds at 10:00 a.m. on my TV show ‘Our Great Kids’ - PBS 36, Cox 8 and Comcast 19.

Watch this weekend. Hear what our great youngsters are doing – why they got and deserve this valuable scholar card:

If your children do good deeds and don't have this card, have them write me what they're doing, with a promise to continue, and I'll send it to them. Please enclose a stamped, self addressed envelope.

Now, about my life...

For many years, people have wondered how I made my money and why I give so much away – and so much of it for your children. It's quite a story...

How did I get to where I am now? Mostly due to three people: my wife, who opened her heart to me; a stranger, who made me known around the world; and something the King of Thailand told me. Oh yes, a rabbi, a minister and a nun, too. And our children...

You'll meet them all, right here...
